

BY MANU KATCHÉ · AN EXCEPTIONAL CORPORATE EXPERIENCE

AN EXCEPTIONAL MOMENT WITH THE DRUMMER BEHIND THE BEST SOUNDTRACKS OF YOUR LIFE.

Imagine spending an exceptional moment with the drummer behind the legendary soundtracks of your life, and sharing it with your people. Iconic Corporate Sessions© bring Manu Katché into your company for a rare encounter: a talk, a practice and a piece of music that will stay with every participant. Only a few Sessions are offered each year.

THREE MOMENTS. ONE UNFORGETTABLE EXPERIENCE.

01
THE TALK

A conversation in the spirit of a TEDx, with Manu Katché and stories from a career alongside the greats. Leadership, listening, resilience, results: what the drums teach about the way we work together.

02
THE PRACTICE

Everyone plays. We begin with the practice pad, then move to the drum kit (the Junior Kit Manu Katché, for instance). Manu guides each participant, whatever their level.

03
THE GROOVE

A piece of music composed for your company by a musical director selected and directed by Manu Katché. Each participant plays a rhythm, and together you perform it.

“GREAT LEADERS SET THE PACE, IN RHYTHM.”
